

Take the long way.

WHAT'S AN EXTRA HALF AN HOUR? LIFE ASKS SO MUCH, IT MIGHT BE TIME TO TAKE A LITTLE BACK. GO ON, TAKE THE ROAD LESS TRAVELLED BUT OFTEN DREAMT ABOUT. POINT INTO THE TURNS, POWER OUT. LEAVE THE WORLD AND ITS WORRIES BEHIND.

LANCER

Calling all drivers.

MODEL SHOWN Lancer GSR SEDAN in Cardrona.

LANCER

LANCER

» MODEL SHOWN Lancer GSR

» THE CAR THAT LOVES THE ROAD Whether you enjoy driving or you value the safety that comes with precise handling, Lancer is a car best appreciated on the road. Engine, transmission, traction systems and driver work as one for a ride that's sure-footed and exciting.

» SAFETY FIRST

Keeping you and your family safe is another area where **Lancer** really performs. You're surrounded by 7 airbags and kept in line by the integrated traction systems. It's a very safe way to travel, easily earning a 5 star safety rating.

» ARRIVE IN COMFORT

In *Lancer* you'll enjoy total comfort, however long the drive. The features you need are on board, with ample room for whatever the outing demands. When more room is called for, the *Lancer* Hatch is spacious and versatile.

» THE LANCER LEGACY

The firm, responsive drive you enjoy in **Lancer** has been sharpened over years of racing and development. Many of **Lancer's** components can be found under the bonnets and in the bodies of world-beating vehicles.

Safer for everyone

FROM THE WAY IT HELPS YOU TO AVOID HAZARDS TO THE MANY AIRBACS ON BOARD, LANCER IS A VERY SAFE CHOICE, WITH A 5 STAR SAFETY RATING TO BACK IT UP.

Safety is at the centre of *Lancer's* design. The rigid body dissipates energy away from the occupants and contains 7 airbags, including driver's knee and side curtain airbags. To keep you safely in your seat, the pretensioning front seat belts use force limiters for another level of protection.

To avoid hazards altogether, every Lancer features Active Stability Control and Active Traction Control. When you really need the brakes, they'll come to your aid. The sensors respond immediately and apply the ABS to each wheel as conditions demand. Electronic Brakeforce Distribution (EBD) increases brake pressure on the rear wheels to keep your braking sharp. Combined with Lancer's responsive handling, it makes for a very safe drive indeed.

» MODEL SHOWN Lancer GSR HATCH in Sterling Silver.

For the joy of driving

EVERY ASPECT OF LANCER'S DESIGN, ENGINEERING AND STYLING IS ABOUT DELIVERING A GREAT DRIVING EXPERIENCE.

Beneath the bonnet is the legendary 2.0L MIVEC engine. Variable valve technology uses fuel efficiently, while aluminium construction reduces weight. The result is 109kW of responsive power you'll certainly feel.

The INVECS III transmission adapts to your driving style and lets you select the ratios you want with the 6-speed Sports Mode setting. Continuously Variable Transmission (CVT) technology ensures you'll always have smooth acceleration and the right balance of power and efficiency.

Lancer's body is rigid where it counts for sharp handling. Race-honed steering and suspension systems work together with the Active Traction Control and Active Stability Control for road holding that's precise and very safe. You'll have serious stopping power from the 4-channel, 4-sensor intelligent brakes with ABS.

Even before you get in, the chiselled bodywork implies a vehicle that drives well.

Always a pleasure

ALL THE SMART FEATURES, SPACE AND COMFORT YOU COULD WANT ARE ON BOARD. LANCER HATCH HOLDS EVEN MORE.

From behind the wheel you're in complete control of the audio system and reversing camera on the large touchscreen beside you. Buttons for the cruise control and handsfree Bluetooth[™] are on the steering wheel, which tilts for the perfect position.

The supportive seats ensure every passenger is kept comfortable, even on the longest drive. Anything you need to carry is easily accommodated in the boot, or by lowering the split-fold back seats. *Lancer* Hatch gives you the perfect balance of performance and space with its expansive boot and large tailgate.

» EVERYTHING'S ON SCREEN The touchscreen shows you the reversing camera and houses the controls for the audio system.

» MODEL SHOWN Lancer GSR HATCH in Sterling Silver.

» PHONE CALLS MADE EASY No disruptions to your drive, thanks to handsfree Bluetooth™.

» Lancer GSR Sedan in Electric Blue.

Lancer Sedan

BOTH MODELS OF SEDAN OFFER THE SIGNATURE LANCER DRIVING EXPERIENCE AND THE LEVEL OF LUXURY THAT SUITS YOU.

» Lancer cloth trim.

While we have made every effort to ensure that the specifications are correct at the time of printing, Mitsubishi product is constantly developing. We reserve the right to change the specifications, colours and prices of models and items within this brochure. For current specifications always contact your Mitsubishi dealer. Fuel economy figures are based on the ADR 81/02 test for combined urban/extra urban driving. Please note that actual on-road fuel consumption and emissions will vary depending on traffic conditions, vehicle load and the individuals' driving styles.

CHELIN

THE LANCER YOU DRIVE TODAY SHARES MUCH OF ITS TECHNOLOGY WITH LEGENDARY RACING MODELS.

Ever since it launched in the early 1970s, Lancer has lent itself well to racing. Nimble, adaptable and reliable, it was the vehicle that Few vehicles have ever dominated the podium propelled Japanese engineering into the world like Lancer. rallying spotlight.

With each incarnation of the badge, a new performance variant gained respect on the streets and acclaim on the track. When the Evolution series began in 1992, Lancer had the world's attention and rewrote the rules about what a 4-door family sedan can do.

- And

Every model outdid its predecessor. Every rally season saw many wins going Lancer's way.

The engine, steering, suspension and brake technology that powered these cars to victory makes your drive as sharp and enjoyable as possible.

A VERY WELL MADE WARRANTY

There's no better protection for your new Mitsubishi than our **Diamond Advantage Warranty**. In fact, there's no better new vehicle warranty available in New Zealand. Whichever Mitsubishi^{*} you see yourself in, wherever the road takes you, you'll be thoroughly covered from bumper to bumper.

Our **Diamond Advantage Warranty** comprises a 10 year/ 160,000 km powertrain warranty that covers everything from engine to axle; a 5 year/130,000 km new vehicle warranty; and 5 years Premium Roadside Assist, which looks after you if the unexpected should happen. It's the warranty designed for complete peace of mind.
