

**MITSUBISHI
MOTORS**

EXPRESS

This one's for you

You're up before dawn, a new contract to start and two others to finish. You'll be there on time because it's your reputation and you've always been true to your work and your word. You've learnt that

hard work beats talent when talent doesn't work hard. As your Dad used to say, overnight success always takes a long time. There's another success story on the road with you this morning. Like you,

its reputation has been built off the back of hard work and the belief that diamonds are nothing more than chunks of coal that stuck to their work.

The new Mitsubishi **Express** Van.

Wide open spaces

WITH AN ENORMOUS 6M³ OF CARGO SPACE (LWB),
EXPRESS IS EASY TO LOAD THROUGH EITHER THE
REAR BARN DOORS OR THE DUAL SLIDING DOORS.

» MODEL SHOWN Express SWB in White Solid with optional accessories.

Delivers for you

EXPRESS IS THE ALL-NEW PANEL VAN IDEALLY SUITED FOR KIWI CITY DELIVERIES.

With dual sliding doors and rear barn doors, you'll find everything on board is within easy reach.

For added convenience the rear bumper has an integrated foot step for easy loading and unloading.

Spread evenly through the load area are up to 18 anchor points (LWB). These cargo rings allow you to keep your cargo safe from movement while you enjoy the drive.

Another safety feature is the factory-fitted protective bulkhead with rear-view window, which separates you and your passengers from the cargo you're carrying.

» **MODEL SHOWN** Express SWB in White Solid with optional accessories.

Welcome to your new office

NEW LEVELS OF COMFORT AND STORAGE COME STANDARD IN ALL-NEW EXPRESS.

Thanks to the **Express** dynamic suspension system, the driving experience is super smooth and gives a sense of comfort more like that of a family SUV than of a work vehicle.

The **Express** has three seats across the front, with additional consideration given to driver comfort thanks to height, slide,

recline and lumbar adjustment. The steering wheel also has height and reach adjustment.

The middle seat folds down to reveal an ergonomically designed workstation that features an integrated clipboard and a work surface for your laptop. To keep it safe from unwanted attention, there's hideaway storage for it too.

Total connectivity is effortless with the Smartphone Link Display System. Simply plug-in your phone and use voice commands to activate music, send messages, make calls and access maps from your phone.

Further storage can be found in

the illuminated glove box, front-door pockets that include space for your water bottles, lower driver's side cavity under the instrument panel, large under-seat storage and of course **Express** hasn't forgotten cupholders for your espresso.

Pressure makes diamonds

With a choice of two dependable power plants, the 1.6L diesel twin-turbo comes in manual or the 2.0L diesel turbo with

dual clutch auto, it's ready and waiting to carry your business forward each day. Like you, hard work is in its DNA.

» MODEL SHOWN Express SWB in White Solid with optional accessories.

Crafted for your enjoyment

WITH A HAND-CRAFTED BLEND OF COMFORT AND CAPACITY, WHATEVER YOU'RE CARRYING YOU'LL FIND EXPRESS HITS THE SPOT.

» MODEL SHOWN Express SWB in White Solid with optional accessories.

Altogether safer

THE EXPRESS KEEPS YOU SAFE AT WORK WITH MANY DRIVER ASSIST FEATURES DESIGNED INTO THE VAN FOR YOUR PEACE OF MIND.

In the passenger compartment you and your workmates are protected with five airbags including front and curtain airbags and a driver-side airbag.

Also standard are cruise control, auto stop and start, hill start assist to prevent you rolling back when starting off on steep inclines, reversing sensors and reversing camera. **Express** also comes equipped with anti-lock brakes (ABS),

electronic stability control (ESC), electronic brakeforce distribution (EBD) and a wide-view mirror. Flip the diesel filler cap on the 2.0L Intercooled Turbo Diesel auto and you'll find it's equipped with the emission-reducing technology, AdBlue®, giving a fuel economy rating of 8.4L/100km*. The 1.6L twin-turbo manual delivers an impressive fuel economy of 7.2L/100km*.

*Fuel economy and range figures are based on the ADR 81/02 test for combined urban/extra urban driving. Fuel economy & CO2 figures are calculated to WLT-3P. Please note that actual on-road fuel consumption will vary depending on traffic conditions, vehicle load and the individuals' driving styles.

» MODEL SHOWN Express SWB in White Solid with optional accessories.

Express handles a trailer with ease with a 2,000kg braked tow weight** and trailer sway mitigation (TSM).

And security hasn't been overlooked either with immobiliser and hideaway cabin storage keeping your valuable tools and cargo safe from unwanted attention.

» Adblue® is only available on the 2.0L Intercooled Turbo Diesel.

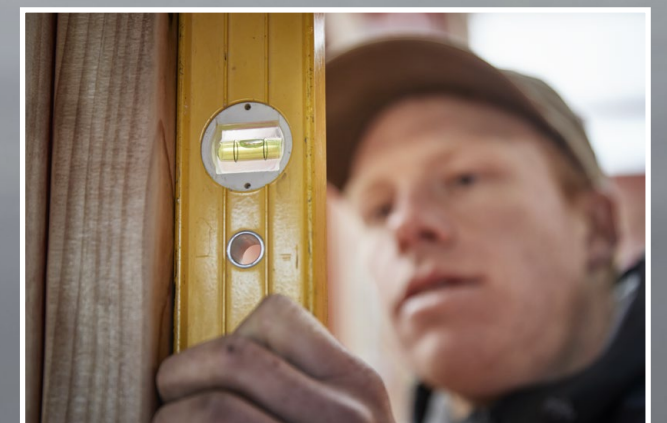

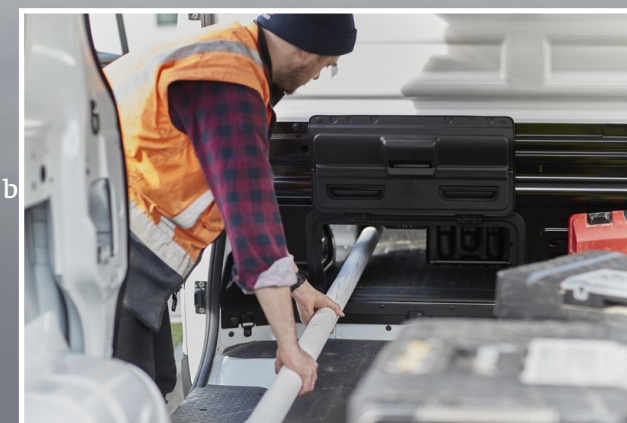

**2,000kg braked towing capacity applies to manual model only.

The tradie's Express

Whatever your chosen trade, the rear load space can be configured to perfectly suit your needs. Measuring 1.268m between the wheel housings, **Express** comfortably accommodates standard width New Zealand pallets or Gib® sheets.

A handy bulkhead trapdoor accessed through the cargo space, lets you load an extra 1.2m length up to 4.15m (LWB) of either timber or piping without having to load externally. When you add new **Express** to your team you can get on with the job knowing it's got your

» [LEFT] BULKHEAD TRAPDOOR
Gives you additional storage of up to 4.15m in length (LWB) for those extra-long items.

» [BELOW] CARGO TIE-DOWNS
The Express SWB cargo area contains 16 cargo tie-downs and 18 on the LWB.

Fully loaded

NEW EXPRESS HAS ALL THE EQUIPMENT YOU NEED FOR ANY SITUATION.

» [ABOVE LEFT] ALL THE GEARS
Express SWB allows you to choose between a 6-speed manual or a 6-speed DCT automatic transmission.

» [LEFT] ECO DRIVE FUNCTION
Express gives you even better fuel economy with its Eco Mode.

» [BOTTOM LEFT] HANDS-FREE
You can be hands-free with Bluetooth™ connectivity.

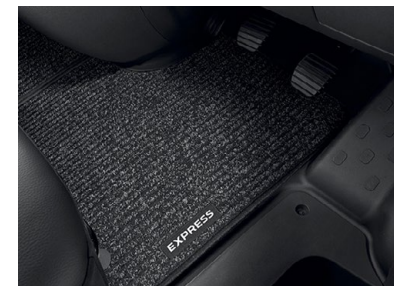

» [ABOVE] TAKE YOUR OFFICE WITH YOU
Express comes with a fold-down workstation that has an integrated clipboard and safe storage for your electronic devices.
